3. Rules and Regulations

The ISSF World Cup will be conducted according to the actual ISSF Rules and Regulations – Detailed information is available on the ISSF website www.issf-sports.org. ISSF Juries (Competition Jury, RTS Jury, and Equipment Control Jury) will be designated by the ISSF to supervise the ISSF World Cup. Qualified Range Officers holding applicable ISSF licenses will conduct the competitions.

Rifle / Pistol Equipment

Equipment Control will be conducted according to ISSF Rules using approved, calibrated instruments. Pre-competition testing is not mandatory; however, athletes are responsible for competing with legal equipment and clothing. All athletes are urged to submit any doubtful equipment and clothing to Equipment Control for checking before the competition. All athletes are subject to being selected for random post-competition testing and will be disqualified if their equipment or clothing is not legal according to ISSF Rules.

Rifle Clothing

All rifle athletes must have ISSF seals with serial numbers on their jackets and trousers. Any rifle jackets or trousers that do not have ISSF seals must be submitted to Equipment Control for inspection and the affixing of a seal before the athlete's first competition. Jackets and trousers that were previously inspected and have an ISSF seal continue to be valid except those athletes with more than one jacket or trousers must report to Equipment Control before their first competition to confirm which jacket and which trousers they will use. All other seal numbers for that athlete will be cancelled. Athletes that wish to replace registered jacket or trousers with a new clothing item must bring that item to Equipment Control for inspection and a new seal. Previous seals will then be cancelled. Rifle athletes can have only one active jacket and trousers at any time.

Rifle Clothing Post-Competition Stiffness Testing

If one panel of a rifle jacket or trousers tests 2.9 or lower, the stiffness device must be recalibrated, and the panel must be retested. If it fails again, but all other panels pass, the athlete will not be disqualified, but a written warning must be given to the athlete and the ISSF seal must be cut off.

The athlete can continue using this clothing for that day in that event. If two or more panels fail, the athlete must be disqualified (DSQ).
